GOD OF WAR

CHAINS OF OLYMPUS

IN THE BEGINNING, THERE WAS DARKNESS.

Long before his battle with Ares, Kratos was a servant to the Gods. Ordered deep into the underworld, the Ghost of Sparta faced an impossible choice: Redeem himself or save the ancient world from eternal darkness.

THE WILDSTORM FRONT

One of the best parts of running a studio for more than 15 years now is watching all the young creators grow page-by-page right in front of me. Sometimes, they grow by leaps and bounds and other times, they comfortably discover their own niche. Wherever their imaginative talents eventually lead them, they'll always be a part of the WildStorm family.

**NEXT ISSUE:
FREDDY vs. JASON
vs. ASH #6**

This month, I'm very proud to welcome back two WildStorm alums, J.J. Kirby and Michael Lopez. J.J. has always carried a true love for the WildStorm Universe of characters and he literally jumped at the chance to shine the spotlight on some of his favorites in THE NEW DYNAMIX. It's part mystery, part action and all fun as J.J. and writer Allen (NINJA BOY) Warner mix everything they love about WildStorm in one cool smoothie.

The name Michael Lopez should also be familiar to long-time WildStorm cognoscenti for his all-too-brief, but all-too-memorable run in our early years. Fans are still talking about his artwork from back then and starting in March, he'll be giving us something new to talk about when his new eye-popping GEN13 covers hit the stands.

Finally, I'd like to introduce a newcomer to WildStorm, Michael Costa. Michael's the explosive writer of the first SECRET HISTORY OF THE AUTHORITY six-issue mini featuring Jack Hawksmoor, with gorgeous art by Fiona Staples and sporting covers by Cully (BLUE BEETLE) Hamner. Costa may be unfamiliar to fans now, but he's already loaded this series with enough surprises to keep his name thrilling Authority fans around the world.

I've always believed in hiring the right people to do the job, so here's to another 15+ years of creative talent finding their voices, forging new memories and just blowing away expectations. WildStorm for life.
